Rough Day

[Paulini](#)

Simply a rough day
'Cause I'm going to hurt you
Going to cause
So much pain, pain, painSimply a rough day
I don't mean to hurt you
Going to do it anywayFly your gut every tear, every rip
Bleeds you, I don't need to hurt you
Going to 'cause so much pain, pain, painLessons in life
The choice is for you
Say anything you fucking like
Yeah, don't know what to doLessons in life
The choice is for you
Say anything I fucking like
But you don't know what to doDon't know what to do
Don't know what to do
Don't know what to do
Don't know what to doLessons in life
The choice is for you
Is the world and you know it
There's no where for you to goSimply a rough day
I don't need to hurt you
Going to do it anywayFly your gut every tear every rip
Bleeds you I don't need to hurt you
Going to cause so much pain, pain, painIs the world and you know itPain, pain, pain
Pain, pain, pain
Pain, pain, pain
Going to fucking do itYeahTheres nothing you can do about it
Nowhere to run
There's nowhere for you to go
There's nowhere for you to go
You will do
What I want you to do
