Become Undone

The Muffs

You're not like anyone, I know now
And if you think you're better off, and know howNobody else could ever
You're gonna be the same before long, you'll see
Then everything I say to you, would be long
And it'll Q rignt back to me, before long
And it'll take a little time
You're gonna be a lot of soul
And know you finding someone else I know nowBecome undone x13Now if you thing I'm feeling fine, excuse me
I never though that you would lie, amuse me
And now I'll never play your game
I know you'll never be the same
To me I wanted more, and now I'm goneBecome undone x13Become undonde x'till the end
