Stay With Me

David Guetta

She's afraid of being alone
My touch changes all the loneliness away
Tells me that she is cold
And I shouldn't go
She's crying 'n' beggin' now
Stay with me, stay with me for the night
Stay with me, stay with me for the night
Stay with me, stay with me for the night
Stay with me, stay with me for the night
For the night, for the night
For the night, for the night
For the night
Night, night, night, night
Night, night, night, night
Stay, please stay
Stay, stay
She's afraid of the dark
Stay with me
She's afraid of the dark
Stay with me for the night
She's afraid of the dark

Stay with me
She's afraid of the dark
Stay with me for the night
She's afraid of the dark
Stay with me
She's afraid of the dark
Stay with me for the night
She's afraid of the dark
Stay with me
She's afraid of the dark
Stay with me for the night
She's afraid of being alone
My touch changes all the loneliness away
Tells me that she is cold
And I shouldn't go
She's crying 'n' beggin' now
Stay with me, stay with me for the night

She's afraid of the dark
Stay with me, stay with me for the night
She's afraid of the dark
Stay with me, stay with me for the night
She's afraid of the dark
Stay with me, stay with me for the night
