

Pink Bricks (feat. Ambrosia Parsley)

Maximum Balloon

big fish was scheming in the water
red bird up dreaming in the nest
oh, I heard she was sleeping when he got her
but then she woke up, just like a baby, on his chestbullfrogs have come up from the river
for black flies & early August rainstill fall the crumbs around this kitchen
no, we've never had a problem with a mouse
everywhere they look, they see temptation
guess there's just too many snakes under this house
so again we're going to get away with murder
when we should be up against the wall
we should be up against the wall
