

# The Number Of The Beast (1998 Remastered Version)

## Iron Maiden

I left alone my mind was blank  
I needed time to think to get the memories from my mind  
What did I see can I believe that what I saw  
That night was real and not just fantasy  
Just what I saw in my old dreams were they  
Reflections of my warped mind staring back at me  
Cause in my dreams it's always there the evil face that twists  
my mind  
And brings me to despair  
Was all this for real or some kind of hell  
666 the number of the Beast  
Hell and fire was spawned to be released  
Torches blazed and sacred chants were praised  
As they start to cry hands held to the sky  
In the night the fires burning bright  
The ritual has begun Satan's work is done  
666 the number of the Beast  
Sacrifice is going on tonight  
This can't go on I must inform the law  
Can this still be real or some crazy dream  
But I feel drawn towards the evil chanting hordes  
They seem to mesmerize me...can't avoid their eyes  
666 the number of the Beast  
666 the one for you and me
