

# Fast Women

[Kip Moore](#)

Alright I've shown up every night like the night before  
Watched the pretty women filing through the door  
I mix a drink, I tune up my six-string  
Then this one quick breath full of nicotine  
Countdown from three and it's all on me  
I walk out and the lights go down Between the slow gin fizz and fast women  
I'm stuck in a place my Mama's King James calls sinning  
But it feels so good where I'm sitting  
Between the slow gin fizz and fast women  
Fast women  
All of my buddies, yeah, they're settling down  
Laying deep roots in them no name towns  
They got kids, and one day I want kids, yeah  
They call me now and then and say: Hey boy, you still out there just a making that noise for the fans with that  
rock and roll band? Between the slow gin fizz and fast women  
I'm stuck in a place my Mama's King James calls sinning, yeah  
But it feels so good where I'm sitting  
Between the slow gin fizz and fast women  
Fast women, ey I know there's more to life than what I see right now  
One day I'm find I wanna slow it down shut it down  
Between the slow gin fizz and fast women  
I'm stuck in a place my Mama's King James calls sinning  
Between the slow gin fizz and fast women  
I'm stuck in a place my Mama's King James calls sinning  
But it feels so good where I'm sitting  
Between the slow gin fizz and fast women  
Fast women  
Come on, babe  
Fast women
