

# Free Fallin'

N'Dambi

She goes to church every Sunday morning  
Perfect attendance in school to get ahead  
But somehow she's just goin' through the motions  
She never complains but she's full of pain 'cause no one cares  
She was free  
Free fallin'  
She was free  
Free fallin', yeah  
Now she's not the type of girl  
That you'd expect to be walkin' alone  
Far too beautiful and intelligent  
Not to have someone to call her own  
By circumstance there is no choice  
She does just what he says  
No reward so she figures what's the use  
I'm dying to get away  
In the name of the Father we pray  
Pray, pray, pray, pray  
Please remove me from this old place  
She was free  
Free fallin'  
She was free  
Free fallin', yeah  
She's livin' life on her own  
Prayin' for serenity  
Stay strong for the family  
But she cries each time  
(Each time)  
She falls so hard  
(So hard)  
Yet holds on to little hope  
(Holds on)  
That soon she'll be a shinin' star  
She was free  
(Oh, yeah)  
Free fallin'  
(Free fallin')  
She was free  
(Oh yes, she was)

Free fallin', yeah  
(Yes she was, yes she was)  
She was free  
(In the name of the Father I pray, pray, pray, pray)  
Free fallin'  
(Cause I'm longing to get away)  
She was free  
(She was fallin', free fallin')  
Free fallin', yeah  
(Whoa, yeah, yeah, yeah, yeah)  
She was free  
(Livin' life on her own)  
Free fallin'  
(But she's holdin' on, yes she holdin' on)  
She was free  
Free fallin', yeah  
In the name of the Father I pray  
(Pray)  
'Cause I'm wantin' to get away  
In the name of the Father we pray  
Pray, pray, pray  
Free fallin'
