

# Here Comes The Night

Dwight Yoakam

I can see her right out my window  
Walkin' on the street, my girl with another guy  
His arms around her like it used to be with me  
Hey man, it makes me want to die  
Yeah, yeah, yeah  
Here it comes  
Here comes the night  
Here comes the night  
Whoa, whoa, whoa, yeah  
There they go, it's funny how they look so good together  
Wonder what is wrong with me  
Why can't I accept the fact that she's chosen him  
And simply let them be  
Whoa, whoa, whoa  
Here it comes  
Here comes the night  
Here comes the night  
Whoa, whoa, whoa, yeah  
Oh, she's with him, he's turning out the lights  
And now he's holding her the way I used to do  
I can see her closing her eyes and telling the lies  
Exactly like she told me too  
Whoa, whoa, whoa  
Here it comes  
Here comes the night  
Here comes the night  
Whoa, whoa, whoa, yeah  
Here it comes  
Here comes the night  
Here it comes  
Here comes the night  
Here it comes  
Here comes the night  
Here it comes  
Oh, here comes the night
