Pager

Immature

Yeah, this for all those ladies out there
That's waitin' for that hustler that pimp
That playa to hit you on the sideI'll make sure I'll hit you on the side
A little later, I'll make sure I hit you
So, you know it's just me jockin' you
On your pager, I'll make sure I hit youWhen you're out about with your girlfriends
You know I'm callin' baby, so don't pretend baby
I try to reach your heart through your private line, oh baby
I can't help the fact that you're always on my mind babyI'll make sure I'll hit you on the side
A little later, I'll make sure I hit you
So, you know it's just me jockin' you
On your pager, I'll make sure I hit youBaby, answer me when you feel me call
If I can't have you girl, I don't want anyone at all, baby
True feelings that I try to hide baby, keep showin' girl
When I hit you on the side of your pagerRomeo, Romeo, feel me flow
When you feel the rat-tat in your pocket
Don't stop it, just lock it, yeah, uh, yeah, yeahI'll make sure I'll hit you on the side
A little later, I'll make sure I hit you
So, you know it's just me jockin' you
On your pager, I'll make sure I hit youSo uh, here I go one more
I come again with this pager flow
Rock on, rock on, yeah, yeahI'll make sure I'll hit you on the side
A little later, I'll make sure I hit you
So, you know it's just me jockin' you
On your pager, I'll make sure I hit you
