

Next Exit (Eden session)

Interpol

We ain't goin' to the town
We're goin' to the city
Gonna track this shit around
And make this place a heart
To be a part of We ain't goin' to the town
We're goin' to the city
Gonna track this shit around
And make this place a heart
To be a part of again Goin'
Goin'
Goin'
And we're gone
Goin'
We're goin'
Goin'
But we've come so baby Make it with me
In preparation for tonight
We've got so much to leave
That's not
What makes this right You've been building up steam
Ignited by this fight
So do this thing with me
Instead of tying on a tight
One tonight Goin'
Goin'
Goin'
And we're gone We ain't goin' to the town
We're goin' to the city
Gonna track this shit around
And make this place a heart
To be a part of again
