

Road to Nowhere

Los Lonely Boys

When I woke up this morning
I knew I had to get going
So I raced out of bed.
Out the door, I'm in a hurry
To finally tell you I'm sorry
For everything I said
I'm all over town.
I can't slow down... Oh, oh! I took a ride on Main Street.
I drove around all day
Looking for the road to nowhere
'Cause that's where she said she's gonna stay
My luck's running on empty,
But the hope is still with me
You know it keeps me hanging on
When you said that you were leaving,
I never did believe it
The fact is now you're gone.
I'm leaving town... Yeah!
There's no turning round... I'm gonna find her! I took a plane out of Houston,
I missed my bus in LA
Looking for the road to nowhere
'Cause that's where she said she's gonna stay I took a train out of Tulsa,
Wound up in San Francisco Bay
Hoping to find the road to nowhere
'Cause that's where she said she's gonna stay
I took a plane out of Houston,
I missed my bus in LA
Looking for the road to nowhere
'Cause that's where she said she's gonna stay I rushed in New York City,
Walked down to New Orleans
And I can't find the road to nowhere
So I guess that's where she's gonna stay
