Stephanie Knows Who (Stereo Version)

Love

Oh, what's in your life, dear Stephanie?
What's in your life for me?
Aches and pains, they cloud your sight
But tired you did, you said you didOh, what can I say, dear Stephanie?
Who shall I next inform?
Of love and poetry that you bring
Your eyes, your hair, your everything, yeah, uhYeah, yeah, yeah, yeah
Come on, come on, come on, oowYeah, yeah, yeah, yeah
Come on, come on, come on, come onWhat am I now, dear Stephanie?
Am I you in disguise?
The words, they come so naturally
I save them all for Stephanie, yeah, uhYeah, yeah, yeah, yeah
Come on, come on, now, come onHey, all right
Talk to me all the time
From A to Z and in between
Say it sweet, all the time
All the time, yeah
