

Dissident Aggressor

Judas Priest

Grand canyons of space and time universal
My mind is subjected to all Stab! Bawl! Punch! Crawl!
Hooks to my brain are well in
Stab! Bawl! Punch! Crawl!
I know what I am, I'm Berlin Through cracked, blackened memories of unit dispersal
I face the impregnable wall Stab! Bawl! Punch! Crawl!
Hooks to my brain are well in
Stab! Bawl! Punch! Crawl!
I know what I am, I'm Berlin Exploding, reloading, this quest never ending
Until I give out my last breath I'm stabbing and bawling, I'm punching and crawling
Hooks to my brain are well in
I'm stabbing and bawling, I'm punching and crawling
I know what I am, I'm Berlin
