Dusk Till Dawn (Original)

Ladyhawke

When you hide next to me
With your eyes up close to me
I hear footsteps in the dark
When you hijack my heartCool breeze down the hall
I can feel you breathe outside my doorBang, bang, bang on the wall
From dusk 'til dawn
Do, do, do, do
Do, do, do, doBang, bang, bang on the wall
From dusk 'til dawn
Do, do, do, do
Do, do, do, doBang, bang, bang on the wall
From dusk 'til dawnWhen you sense you're not alone
And the darkness starts to moan who's there?Shadows all around
But you don't make a sound
Voices in my head
Playing like an echo, echoBang, bang, bang on the wall
From dusk 'til dawn
Do, do, do, do
Do, do, do, do
