My eyes are green 'cause I eat a lot of vegetables  
It don't have nothing to do with your new friend  
My eyes are green 'cause I eat a lot of vegetables  
It don't have nothing to do with your new friend  
My eyes are green 'cause I eat a lot of vegetables  
It don't have nothing to do with your new friend  
I don't care, I swear, I'm too through with you, I am

    You don't mean nothing to me

    So go ahead and be with your friend

My eyes are green 'cause I eat a lot of vegetables  
It don't have nothing to do with your new friend  
My eyes are green 'cause I eat a lot of vegetables  
It don't have nothing to do with your new friend  
My eyes are green 'cause I eat a lot of vegetables  
It don't have nothing to do with your new friend

    I'm insecure but I can't help it

    My mind says move on, my heart lacks behind

    But I don't love you anymore

    I'm so insecure

    Never knew that love did this

    Ooh, ooh

I can't remember the last time I felt this way about somebody

    You've done something to my mind and I can't control it

    But I don't love you any more, yes I do, I do

    Loving you is wrong baby, ooh, ooh

    La-di-da

    Dum-dee-da-da

    Dum-didi-da-da-da

    Dum-didi-da-dum-di

I'm so confused, you tried to trick me, yeah

    Ooh, ooh, oh

    Never knew that love could hurt like this

    Never thought I would but I got dissed

    Makes me feel so sad and hurt inside

    Feel embarrassed so I want to hide

    Silly me I thought your love was true

    Change my name to Silly E. Badu

    Before I heal, it's gonna be a while

    I know it's gonna be a while, chil'

I hope it's not too late  
Too late, too late, too late  
Feeling insecure  
Your love has got me sore  
I don't want no more  
Oh, oh

It's too late, oh, oh, ooh, ooh  
I'm sorry I love you  
At first when you was cool  
You told me you loved me too, ooh  
And then you lost your love  
And then you lost your love  
And then you lost your love

You wanted me to go away but I can't go  
See I can't leave, it's too late  
Just make love to me

Just one more time and then you'll see  
I can't believe I made a desperate plea  
Believe me yeah, yeah, no, oh  
You see I can't leave, it's too late  
I can't leave, it's too late

Don't you know, I can't leave, it's too late  
Can't go no where, no  
It's too late, it's too late  
It's too late, it's too late  
Yeah, come on, babe

Don't you want be strong with me?  
You told me we could have a family  
Want to run to me when you're down and low  
But times get tough and there you go  
Out the door, you wanna run again  
Open your arms and you'll come back in  
Wanna run 'cause you say you're afraid, afraid  
Never knew what a friendship  
Never knew how to really love  
You can't be what I need you to  
And I don't know what is up with you  
I know our love will never be the same  
But I can't stand the growing pains
