

# Find Your Way Back

[Michelle Branch](#)

I used to get away with so much  
Now I cant get away  
I even thought that it was simple  
To say the things I wanted to say And you told me  
Everything I wanted to hear  
And you sold me  
Now I dont know how I should feel  
I should know me  
And baby, you would think I knew better [Chorus]  
Im finding my way back to you  
And everything I used to be  
And waiting is all that I can do  
Until you find your way back to me What if I said what I was thinking?  
What if that says too much?  
When everybodys got a reason  
I feel like giving up And you told me  
Everything I wanted to hear  
And you sold me  
Now I dont know how I should feel  
I should know me  
And baby, you would think I knew better [Chorus] Until you find your way back to me  
I used to get away with so much [Chorus]
