

# Burn It Up (Feat. WYSEN & YINDELL)

R. Kelly

Oh, oh, oh, oh  
Burn it up  
Girl make it hot like the roof is on fire  
Burn it up  
Girl the way you dance you are my one desire  
Come on  
So hot you're one fire (come on!) [Repeat x7]When you roll it  
I can't control it  
And when you throw it  
It's hard to catch it  
And when you shake it  
I pray you don't break it  
And when you drop it  
Girl I cannot take it  
Something about the way you move (hey!)  
Sweat is dripping all over you (hey!)  
The way you let the beat take over you (hey!)  
Baby don't stop keep it going make it hot (hey)  
The way you put your back in motion (mama)  
Oh I love you the way you freakin' it (mama)  
You got me comin' out of VIP (mama)  
Cause you look like the girl in my dreams (mama)  
I step up in the club first thing I see is you freakin' it  
Your eyes and body language tells me you want me to hit it  
Well I say girl  
Back that thing up to me  
Closer (oh)  
A little closer (work it)  
Come on and shake it on me now (work it)  
Come on and work it on me now (work it)  
Girl it's getting heated now (work it)  
It's time to put this club on fire nowBurn it up  
Girl make it hot like the roof is on fire  
Burn it up  
Girl the way you dance you are my one desire
