

Lady In Spain

Ingrid Michaelson

I am the lady in Spain
I'll sing a haunting refrain
I am the lady from Mars
And I can unscrew the stars I can be anything that I see
I can be anything that I
Anything that I see I am in love with a boy
Manufacture to destroy
So I shall unravel my love
Just like an old red woolen glove I can do anything I want to
I can do anything I want
Anything my heart tells me to do
Tells me to do, tells me to do
