

# The Magician

## Andy Shauf

Do you find it gets a little easier each time  
you make it disappear?  
Old fools the magician bend the rules  
and the crowd watches his every move. Just a shaking hand without a concrete plan  
Do do do do dodo do  
Do do do do dodo do Side steps to a death defying feat  
wait for him to reappear  
look close, you'll see him sweat the most  
each time his options disappear. just a shaking hand without a concrete plan,  
just a shaking hand without a concrete plan,  
I'm a shaking hand without a plan.
