Im Stepping Out

John Lennon

Woke up this morning, blues around my head
No need to ask the reason why
Went to the kitchen and lit a cigarette
Blew my worries to the skyI'm stepping out
I'm stepping out
I'm stepping out
I'm stepping outIf it don't feel right, you don't have to do it
Just leave a message on the phone and tell them to screw it
After all is said and done you can't go pleasin' everyone
So screw itI'm stepping out
I'm stepping out
I'm stepping out, baby
I'm stepping outBaby's sleeping, the cats have all been blessed
Ain't nothing doing on TV, summer repeats
Put on my space suit, I got to look my best
I'm going out to do the cityI'm stepping out
I'm stepping out
I'm stepping out, babe
I'm stepping out, boogieI'm stepping out
Hold it down
I'm stepping out
I'm stepping outGotta, gotta, gotta, gotta get out
I'm stepping out, babe
Just a while
Ain't been out for daysGotto do it tonight
Gimme a break, gimme a break
Gotta get out, gotta get out
Just for a while, just for the night
I'll be in before one or two
