

I Don't Wanna Live Without Your Love

Chicago

Thought it wouldn't matter if we didn't stay together
And if it was over maybe it was for the better
I was thinking I'd be alright 'til I thought it all through
Now I know that I ain't really living if I have to live without you I don't wanna live without your love
I don't wanna face the night alone
I could never make it through my life
If I had to make it on my own I don't wanna love nobody else
I don't wanna find somebody new
I don't wanna live without your love
I just wanna live my life with you, with you Guess I had to go away so much I had to go through
Guess I had to lose you to realize how much I love you
Can we make the fire burn again, burn a little stronger?
'Cause I've been alone, and, baby, I can't be alone now any longer I don't wanna live without your love
I don't wanna face the night alone
I could never make it through my life
If I had to make it on my own I don't wanna love nobody else
I don't wanna find somebody new
I don't wanna live without your love
I just wanna live my life with you Oh, if I had to make it on my own
My life would never be the same
My love would never be the same
I don't wanna live without your love I don't wanna live without your love
I don't wanna face the night alone
I could never make it through my life
If I had to make it on my own I don't wanna love nobody else
I don't wanna find somebody new
I don't wanna live without your love
I just wanna live my life with you I don't wanna live without your love
I don't wanna face the night alone
I could never make it through my life
If I had to make it on my own I don't wanna love nobody else
I don't wanna find somebody new
I don't wanna live without your love
I just wanna live my life with you
