I Don't Wanna Live Without Your Love

Chicago

Thought it wouldn't matter if we didn't stay together

And if it was over maybe it was for the better

I was thinking I'd be alright 'til I thought it all through

Now I know that I ain't really living if I have to live without youI don't wanna live without your love

I don't wanna face the night alone

I could never make it through my life

If I had to make it on my ownI don't wanna love nobody else

I don't wanna find somebody new

I don't wanna live without your love

I just wanna live my life with you, with youGuess I had to go away so much I had to go through

Guess I had to lose you to realize how much I love you

Can we make the fire burn again, burn a little stronger?

'Cause I've been alone, and, baby, I can't be alone now any longerI don't wanna live without your love

I don't wanna face the night alone

I could never make it through my life

If I had to make it on my ownI don't wanna love nobody else

I don't wanna find somebody new

I don't wanna live without your love

I just wanna live my life with youOh, if I had to make it on my own

My life would never be the same

My love would never be the same

I don't wanna live without your loveI don't wanna live without your love

I don't wanna face the night alone

I could never make it through my life

If I had to make it on my ownI don't wanna love nobody else

I don't wanna find somebody new

I don't wanna live without your love

I just wanna live my life with youI don't wanna live without your love

I don't wanna face the night alone

I could never make it through my life

If I had to make it on my ownI don't wanna love nobody else

I don't wanna find somebody new

I don't wanna live without your love

I just wanna live my life with you
