Heart and soul, I fell in love with you
Heart and soul, the way a fool would do, madly
Because you held me tight
And stole a kiss in the night
Heart and soul, I begged to be adored
Lost control, and tumbled overboard, gladly
That magic night we kissed
There in the moon mist
Oh! but your lips were thrilling, much too thrilling
Never before were mine so strangely willing
But now I see, what one embrace can do
Look at me, it's got me loving you madly
That little kiss you stole
Held all my heart and soul
****HEART AND SOUL (version with additional verse at the beginning)
I've let a pair of arms enslave me
Oft times before
But more than just a thrill, you gave me
Yes more, much more
Heart and soul, I fell in love with you
Heart and soul, the way a fool would do, madly
Because you held me tight
And stole a kiss in the night

Heart and soul, I begged to be adored
Lost control, and tumbled overboard, gladly
That magic night we kissed
There in the moon mist
Oh! but your lips were thrilling, much too thrilling
Never before were mine so strangely willing
But now I see, what one embrace can do
Look at me, it's got me loving you madly
That little kiss you stole
Held all my heart and soul
Heart an soul .....
