

# On My Knees

Mullen, Nicole C.

all I want is to go back to the beginning, I'm trying to make it new.  
It is so hard to find a way to be forgiven, for the way back to you  
babe, no. don't leave me like this  
i've must have been crazy, girl to do what i did.  
dont you hear me calling and on my knees?  
dont you feel me falling at your feet?  
all alone in the darkness  
whole in my heart  
singing pleeeeasee.. please  
hear me calling out  
mmmm..  
in my heart you'll find a piece of me is missing  
and ---- is missing i can do.. ??  
look in my eyes you'll see I'm barely even living  
living without you..  
got to tell you baby  
i.. i've got so much to say  
it caused me to pieces and you torn me away  
dont you hear me calling and on my knees?  
  
dont you feel me falling at your feet?  
all alone in the darkness  
whole in my heart  
singing pleeeeasee.. please  
babe, we've got so much to say..  
it caused me to pieces and you toss me away  
dont you hear me calling and on my knees?  
dont you feel me falling at your feet?  
all alone in the darkness  
whole in my heart  
singing pleeeeasee.. please  
na na na na na na...  
dont you feel me falling at your feet?  
all alone in the darkness  
whole in my heart singing pleasee  
hear me calling out  
oh baby dont  
im calling out on my knees  
hear me calling out on my knees

dont you hear me calling out on my knees..
