

# I'm Not Alone

**Russ Taff**

Sometimes it feels like i'm out there pushing  
Banging my head against the wall  
And i wonder where you are  
I'm so alone  
It all seems so ordinary  
Just marking time without reason  
It's so hard to be here feeling all alone

[Chorus]

But when i close my eyes  
I know you are here, near me again  
And when i close my eyes  
You feel the prayer i breathe  
I hear you say my name  
I'm not alone

I see the problem very clearly  
It's a tug of war in my soul  
Between choosing to believe  
Or feeling alone  
My heart is telling me not to worry  
But my head isn't yielding  
It insists on feeling left alone

[Chorus]
