

# Gangster

PJ

Runnin' late alarm wasn't on  
It's 12.45 gotta be there at 1  
Drivin' fast till she cut me off

And then actin like I was in the wrong.I wanna be the nice guy

But the nice guy always gonna get stepped on  
Man, this time I'm not smilingI really wanna be gangster,  
Really wanna be the type that don't put up with no one

Man, I'd rather be gangster

This is like gangsterness is so much fun

Oh oh I ain't lyin' [x3]I'm callin' you

You ain't pickin' up

And I, I see you spinnin' money in the club

And all I want is my 40 bucks

I guess payin' me back just cost too much.I wanna be the nice guy

But the nice guy always gonna get stepped on  
Man, this time I'm not smilingI really wanna be gangster,  
Really wanna be the type that don't put up with no one

Man, I'd rather be gangster

This is like gangsterness is so much fun

Oh oh I ain't lyin' [x3]Man, I'm hungry can't wait for lunch

Already told him trice what I want

I said no onions on a cheesy
