

Pretty Suicide

Eighteen Visions

Three days gone by in the desert
I've broken down on the side of the road
The cars drive by and the dust starts rollin'
Will I ever find my way back home? Beaten down, I can't stand up now
I see it all flash before my eyes
Beaten down, I cannot give up
'Cause it's only three more days 'til I die I'm highway bound
For another pretty suicide
I'm highway bound, yeah
I don't know where I'm going Yeah I see a face but I can't decide now
If it's real or just in my mind
I see a face and it says with a smile
"Welcome to hell, 'cause this is where you'll die" I'm highway bound
For another pretty suicide
I'm highway bound
Now I can't drive Well, I'm highway bound
For another pretty suicide
I'm highway bound
And I don't know where I'm going I don't know where I'm going Bleed, let me bleed
Until there's no more life that's left in me
Bleed, let me bleed
Now the love is gone so just bury me
Bleed, so bleed
Now the love is gone so just bury me I'm highway bound for I'm highway bound
For another pretty suicide
I'm highway bound
Now, I can't drive Well, I'm highway bound for
another pretty suicide
I'm highway bound
And I don't know where I'm going Yeah Bleed, bleed, bleed, bleed Bleed, let me bleed
Until there's no more life that's left in me
Bleed, let me bleed
Now the love is gone so just bury me
Bleed, so bleed
Now the love is gone so just bury me Bleed, bleed, bleed
I don't know but I'm going
Bleed, bleed, bleed
I don't know where I'm going
Bleed, bleed, bleed

I don't know but I'm going I don't know where I'm going
I don't know but I'm going down
