

Heavenly (No Ways Tired, Can't Give Up Now)

Mariah Carey

There will be mountains that I will have to climb
And there will be battles that I will have to fight
But victory or defeat, it's up to me to decide
But how can I expect to win if I never try?I just can't give up now
Come too far from where I started from
Nobody told me, the road would be easy
And I don't believe he's brought me this far to leave meNever said there wouldn't be trials
Never said I wouldn't fall
Never said that everything would go the way I wanted to go
But when my back is against the wall
And I feel all hope is gone
I'll just lift my head up to the sky
And say, "Help me to be strong"
I just can't give up now
Come too far from where I started from
Nobody told me, the road would be easy
And I don't believe he's brought me this far to leave meNo you didn't bring me out here to leave me lonely
Even when I can't see clear
I know that you are with me so I prayI just can't give up now
Come too far from where I started from
Nobody told me, the road would be easy
And I don't believe he's brought me this far to leave meI just can't give up now
Come too far from where I started from
Nobody told me, the road would be easy
And I don't believe he's brought me this far to leave me
I just can't give up now
Come too far from where I started from
Nobody told me, the road would be easy
And I don't believe he's brought me this far to leave meI just can't give up now
Come too far from where I started from
Nobody told me, the road would be easy
And I don't believe he's brought me this far to leave me
