Don't Let Me Slide

Tedeschi Trucks Band

You make me want to wake up in the morning
You make me want to be the best I can
Always searching but never finding
Until you took me by my handI let go when I was young
Once abandoned all my trust was goneDon't let me slide
It's just a matter of time
Don't let me slide
Into my dark sideYou can't blame me lord for trying
To hide behind the fool that I am
You know I've never been afraid of flying
Just never knew how to landI let go when I was young
Once abandoned all my trust had goneDon't let me slide
It's just a matter of time
Don't let me slide
Into my dark sideYou make me want to wake up in the morning
You make me want to be the best I can
Always searching but never finding
Oh until you took me by my handDon't let me slide
Lord it's just a matter of time
Oh don't let me, don't let me slide
Lord don't let me slide, don't let me slideDon't let me slide
Oh lord don't let me slide
Lord it's just a matter of time
Lord don't let me, don't let me slide
Oh it's just a matter of time
