French Fries w/ Pepper

Morphine

On 6-6-66 I was little I didn't know shit and on 7-7-77 eleven years later still don't know any better by 8-8-88 it's way too late for me to change and by 9-9-99 I hope I'm sittin' on the back porch drinkin' red wine singin' Ohhhhhh French Fries with Pepper! Ohhhhh French Fries with Pepper!
