The God Particle

XP8

Accelerate the matter
Showers of debris
Defines a universe so empty
Dark matter
Super symmetry
Accounts for that which is unseenCan electromagnetic collisions determine our creation?At what expense
We prove our existence
Exhaust axons of belief
Machinery so immense
A universe with no dimensionsEnter the void
Black nothing
Tug the strings of mortalityEnergetic
Devices prey
On the fabric of realitypre-chorus

Feeding on answers
Mankind pushes forward
For the truth
And understanding
Comprehending proof
Through light speed energized particlesRyan solo
