Voodoo Fire

Cathedral

Voodoo fireMagic lady of the [Incomprehensible] stands
High on the voodoo mountain
Society does the Congo Dance
To the Serpent Queen's chantingBaby, feel the demons burning
Hypnotized Hostile World
To [Incomprehensible] is fallingFlame on, soul possession and sacrifice
Voodoo fire's setting your world alightVoodoo fireAs far as away as Jupiter, way beyond its thirteen moons
Solar System of Lucifer in a ritual of Cosmic Doom
Baby, Papa Nebo is calling
Zombie rise to the voodoo cries
From your mortal tomb awakenFlame on, soul possession and sacrifice
Voodoo fire's setting your world alight, alrightCultes Des Mortes, resurrect him
Raise the King of the dead
Baron Samedi, a Serpent Orgy
Welcomes you, King of the deadJungle magic is spreading fast
In a global manifestation
Necromantic system bows
To a black mass of invocationTell me, the secrets of the future
To stop the flames of this burning world
Resurrect our dead creatorHold tight, saddle up your ride for the rocky night
Voodoo fire's setting your world alightVoodoo fire
