

Voodoo Fire

Cathedral

Voodoo fire Magic lady of the [Incomprehensible] stands
High on the voodoo mountain
Society does the Congo Dance
To the Serpent Queen's chanting Baby, feel the demons burning
Hypnotized Hostile World
To [Incomprehensible] is falling Flame on, soul possession and sacrifice
Voodoo fire's setting your world alight Voodoo fire As far as away as Jupiter, way beyond its thirteen moons
Solar System of Lucifer in a ritual of Cosmic Doom
Baby, Papa Nebo is calling
Zombie rise to the voodoo cries
From your mortal tomb awaken Flame on, soul possession and sacrifice
Voodoo fire's setting your world alight, alright Cultes Des Mortes, resurrect him
Raise the King of the dead
Baron Samedi, a Serpent Orgy
Welcomes you, King of the dead Jungle magic is spreading fast
In a global manifestation
Necromantic system bows
To a black mass of invocation Tell me, the secrets of the future
To stop the flames of this burning world
Resurrect our dead creator Hold tight, saddle up your ride for the rocky night
Voodoo fire's setting your world alight Voodoo fire
