

# Winin' Boy Blues

## Hot Tuna

I'm the winin' boy, don't you deny my name  
I'm the winin' boy, don't you deny my name  
Now my name Well, I'm the winin' boy, don't you deny my name  
I pick up and shake it like sweet Stavin' Chain  
Mm, the winin' boy, don't deny now my name Now mama, mama, mama look at Sis  
Oh, mama, mama, take a look at little Sis  
Look at Sis Well, now mama, mama, mama take a look at Sis  
Lord, she's out on the levee doin' the Double Twist  
Mm, the winin' boy, don't you deny now my name I'm the winin' boy, now don't you deny my name  
I'm the winin' boy, don't you deny my name  
Now my name Lord, I'm the winin' boy, don't you deny my name  
I'll pick it up and shake it, Lord, like sweet Stavin' Chain  
Mm, the winin' boy, don't you deny now my name
