

# Uprising

Museç^€

The paranoia is in bloom  
The P.R. transmissions will resume  
They'll try to push drugs to keep us all dumbed down  
And hope that we will never see the truth aroundSo come onAnother promise, another seed, another  
Packaged lie to keep us trapped in greed with all the  
Green belts wrapped around our minds and endless  
Red tape to keep the truth confinedSo come onThey will not force us  
And they will stop degrading us  
And they will not control us  
We will be victorious  
So come onInterchanging mind control  
Come let the revolution take its toll  
If you could flick a switch and open your third eye  
You'd see that we should never be afraid to dieSo come onRise up and take the power back  
It's time the fat cat's had a heart attack  
You know that their time is coming to an end  
We have to unify and watch our flag ascendSo come onThey will not force us  
They will stop degrading us  
They will not control us  
We will be victorious, so come onHey, hey, hey, hey  
Hey, hey, hey, hey  
Hey, hey, heyThey will not force us  
They will stop degrading us  
They will not control us  
We will be victorious, so come onHey, hey, hey, hey
