

# Kansas City

## The New Basement Tapes

I listen to you time and time again  
While you tell me what is right  
You tell em a thousand things a day  
And then sleep somewhere's else at night  
I'm going back to Kansas City I love you dear, but just how long  
Can I keep singing the same old song  
I love you dear, but just how long  
Can I keep singing the same old song  
I'm going back to Kansas City You call me to come and then I do  
And then you say made some mistake  
You invited me into your house  
And then you say you gotta pay for what you break  
I'm going back to Kansas City I love you dear, but just how long  
Can I keep singing the same old song  
I love you dear, but just how long  
Can I keep singing the same old song  
I'm going back to Kansas City Just you wanna know every place I go  
Even a thousand miles away from home  
You don't care if I'm asleep or I'm awake  
This fickle heart just turned to stone  
I'm going back to Kansas City I love you dear, but just how long  
Can I keep singing the same old song  
I love you dear, but just how long  
Can I keep singing the same old song  
I'm going back to Kansas City I love you dear, but just how long  
Can I keep singing the same old song  
I love you dear, but just how long  
Can I keep singing the same old song  
I'm going back to Kansas City
