Haunted

Evanescence

Long lost words whisper slowly to me
Still can't find what keeps me here
When all this time I've been so hollow inside
(I know you're still there)
Watching me and wanting me
I can feel you pull me down
Fearing you, loving you
I won't let you pull me down
Hunting you, I can smell you alive

Your heart pounding in my head
Watching me and wanting me
I can feel you pull me down
Saving me, raping me, watching me
Watching me and wanting me
I can feel you pull me down
Fearing you, loving you
I won't let you pull me down
