

# Stuck On You

## Paramore

I heard you driving in my car then in a frozen bar  
And I claimed I didn't care for you  
But your verse got trapped inside my head  
Over and over again, you played yourself to death in me  
I thought I'd drop you easily but that was not to be  
You burrowed like a summer tic  
So you invade my sleep and confuse my dreams  
Turn my nights to sleepless itch  
Stuck on you till the end of time  
I'm too tired to fight your rhyme  
Stuck on you till the end of time  
You've got me paralyzed  
Holding on the telephone, I hear your midrange moan  
You're everywhere inside my room  
Even when I'm alone I hear your mellow drone

You're everywhere inside of me  
Stuck on you till the end of time  
I'm too tired to fight your rhyme  
Stuck on you till the end of time  
You got me trapped inside  
I can't escape your incessant whine  
When you beam it out all across the sky  
No, I can't escape  
(Stuck on you till the end of time)  
Your insipid rhyme  
(I'm too tired to fight your rhyme)  
When you shoot it deep  
(Stuck on you till the end of time)  
Straight into my mind
