

Rosie

The Kooks

See the same old crowd again
Wash my hands and shake my feet
And yes I missed you all
Since I last saw you I fell down the rabbit hole

As I wonder what we'd be like
Wrapped up, so up tight with you
Lust will do funny things
I don't want you to go out looking so good
And you look so good

Rosie,
Well I feel your love and I want you to agree
To be,
Still take your time but get to me
Rosie

She looked away as I mentioned my name
The street lights light up my shame
The world can take you and swallow you whole
But you're a big girl and I think you already know
You've been bought and sold

Be careful with me
I see all that you see
Troy died in a day for little Rosie

Rosie,
Well I feel your love and I want you to agree
To be,
Still take your time roll your stone to me
Rosie

Gonna find you now I'll walk the beat
And you'll do me a pirouette in the street
And although we'll fall we'll find our feet
Rosie

Well I wanted you so easily
Illusions past and now I see

Image is so different to reality

Rosie
