Remain

Starfield

Defender of this heart
You loved me from the start, You never change
Through the highs and lows
As seasons come and go You never failDay after day Your love will remain
Faithful and true, You are goodYou are God with us, You're victorious
You are strong and mighty to save
For Your word stands true, there is none like You
And when all else fades You remainWhen troubles come my way
You guide and You sustain, lead me, I pray
Forever You will be the Great Eternal King
Now and alwaysDay after day Your love will remain
Faithful and true, You are good, You are goodYou are God with us, You're victorious
You are strong and mighty to save
For Your word stands true, there is none like You
And when all else fades You remain
When all else fades You remainYou are God with us, You're victorious
You are strong and mighty to save
For Your word stands true, there is none like You
And when all else fades You remainYou are God with us, You're victorious
You are strong and mighty to save
For Your word stands true, there is none like You
And when all else fades You remainYou are God with us, You're victorious
You are strong and mighty to save
For Your word stands true, there is none like You
And when all else fades You remain, You remain'Cause day after day You never change
Day after day You are the same
Day after day You remain
