

I Want to Know

Kongos

I want to know, I want to know, I want to know, I want to know
I want to know, I want to know, I want to know, I want to knowWhat's it gonna take
Are we gonna forever
Make the same mistakeI wanna know
Will you take a stand
Will you raise a hand
For your brother's sakeYou talk about the deluge
You talk about centrifuge
You got something to prove
Tell me, whose eyes you gonna useAnd I, yeah I
What's it gonna take (What's it gonna take)
And you, yeah you
What's it gonna be (What's it gonna be)I want to know, I want to know, I want to know, I want to know
I want to know, I want to know, I want to know, I want to knowWhat's it gonna be
Gotta another theory
You want me to hear
Taking your refuge in your reason
Just to beat the fear
That we don't know why we're hereEven cold hard facts
Have got a way of changing
Their stripes in the light of a new day
The world we hold so tight and true
Turn it on it's headAnd I, yeah I
What's it gonna take (What's it gonna take)
And you, yeah you
What's it gonna be (What's it gonna be)I want to know, I want to know, I want to know, I want to know
I want to know, I want to know, I want to know, I want to knowLiving under pretense
Always on the defense
Always on the fence
Tell me, what's it gonna beAnd I, yeah I
What's it gonna take (What's it gonna take)
And you, yeah you
What's it gonna be (What's it gonna be)I want to know, I want to know, I want to know, I want to know
I want to know, I want to know, I want to know, I want to know
