

# Aleluya (feat. Pitbull)

## Romeo Santos

Pitbull:

Wanna hear the biggest trick  
The Pitbull and Romeo  
Playing on the music industry  
It's making them thing  
That we did it like this (dale)Romeo Santos:  
I apologize if i offend you  
And your disrespected  
But pretend i'm water  
At the desert  
And you're mighty thirstyI am not a christian  
I assure you  
Never read the bible  
But meeting you has been religious  
Sort of like a blessingWeeeee  
Como tu ninguna  
Como tu ninguna  
Como tu ninguna  
Screaming aleluya (x2)Pitbull:  
Let your host be my witness  
I put it on my middle name christian  
No I'm not christian  
No I'm not religious  
But she's the religion  
I've been missingShe my holy grail  
She's my da vinci code  
She's like todos los santos  
All put together  
Hay dios mio for sureAleluya mami  
When we make love  
It's like 2 tsunamis  
Dame un poquito de tu sushi  
While i get you  
Addicted to myDame dame  
Lo tuyo privado  
Dame dame  
Lo tuyo right nowEsto es una confesiÃ³n  
Slash obsesiÃ³nRomeo Santos:

My seventh sense

But our passion is sent from above Just pick the right seed  
Just to conceive it
