

Voodoo Lady

Funky Blues Messiahs

Voodoo lady, shakin' that stick and drivin' me crazy
Your eyes look red and hazy
Doin' that stuff that you do
Messin' me up with your voodoo
You drive me crazy with that
Boogie oogie oogie oogie oogie oogie oogie
You drive me crazy with that
Boogie boogie boogie
Your lips are hot and spicy
Servin' up red beans and rice, yeah
At midnite she's a-howlin' and stompin'
Makin' love to the gators in the swampin', now
You drive me crazy with that
Boogie oogie oogie oogie oogie oogie oogie
You drive me crazy with that
Boogie boogie boogie
I feel you now inside me
Never once did you deny me
Doin' that stuff that you do
Messin' me out with your voodoo
You drive me crazy with that
Boogie oogie oogie oogie oogie oogie oogie
You drive me crazy with that
Boogie boogie boogie
Voodoo lady, shakin' that stick, drivin' me crazy
Voodoo lady, oh yeah
Ohh
Yeah, baby
That's cool
Voodoo lady, shakin' that stick and drivin' me crazy
Your eyes look red and hazy
Doin' that stuff that you do
Knockin' me up with your voodoo
You drive me crazy with that
Boogie oogie oogie oogie oogie oogie oogie
You drive me crazy with that
Boogie boogie boogie, yeah
