

# Famous People

## Brad Paisley

Well you're the first car in an hour or so  
I'm glad you stopped in it's sure been slow around here today  
Just like everyday  
Well I couldn't help but notice your California plates  
And I thought I recognized that name on your credit card  
You're a movie star  
Well I can't wait to get back home and tell all my buddies  
That I met one of the most famous people in the country[Chorus]  
Well I only go to movies when I'm down in Bowling Green  
The cable don't come out this far so I never watch TV  
I know you played in somethin' but I'm gonna need some help  
Wait weren't you in Cannonball Run, no oh well Allow me to introduce myself  
My name ain't John this is somebody else's greasy shirt my name's Kurt  
This is the town that I grew up in  
Never seen L.A. the closest I've been to Hollywood is Dollywood  
But when you get back to Beverly Hills you can tell all your buddies  
That you met one of the most famous people in the country[Chorus] Cause I caught the record small mouth out  
on Kentucky lake  
And I threw the winning touchdown pass the night that we won state  
And I'm still signin' autographs after all these years  
Oh yeah, guess I'm gonna need yours, sign um here I've been thinking about doing some acting some day  
If I ever do make it out to L.A. can I give you a shout  
Maybe crash on your couch  
If you hear of any roles that are floating around  
That would put me and Ashley Judd makin' out in a steamy love scene  
Well I'd work pretty cheap  
If the phones are down just ask around you'll get a hold of me  
Cause I'm one of the most famous people in the country  
Tag  
You're talkin' to one of the most famous people in the country
