

# Boyfriend

## Reel Big Fish

All the kids down in London  
And everybody in New York City  
If they listen to that Alternative  
If there fourteen and lookin' pretty They want me to be their boyfriend  
They want me to be their boyfriend  
I can take you any place you wanna go  
I can show you anything you wanna see  
I can be whatever you want me to be  
I can be whatever you want me to be All the girls in the back room  
I won't miss 'em when there gone  
Don't you know there ain't nobody  
You're the only one that turns me on Don't you want me to be your boyfriend?  
Don't you want me to be your boyfriend?  
I can take you any place you wanna go  
I can show you anything you wanna see  
I can be whatever you want me to be
