

Hang It Up

Bobby Byrd

My friends they get me higher and higher
They're killing me with friendly fire
We meet beneath the ...
They're walking us by, just stay for me
My friends they got a worry mort
They meet outside the corner store
And walk the pavement, miss the cracks
I join them mid but can't relax
Live up tricks when you don't have a thing
Live like a hippy if you wanna be king
People say is not worth the wait
Everybody loves somebody to hate
I'm not gonna go and mosh this room of vein
Slow the work
While looking at this again
Hard working in division
Send all the weak, can't get to prison
I wanna write about setting something free
All the changes drives us back to see
And this is all about starting out again
Same, or same, or never same
So friends won't buy, won't get a job
Me boys and girls won't get adopt
Slow parties, we sit on the ground
I rather be, just let me down
People say is not worth the wait

Everybody loves somebody to hate
And you can hang it up, And you can hang it up
This time baby you can hang it up
You can hang it up, And you can hang it up
This time baby you can hang it up
You can hang it up, And you can hang it up
This time baby you can hang it up
You can hang it up, And you can hang it up
This time baby you can hang it up
Could've been a lawyer, take while you can
Never been happy since time began
It's getting kinda heavy, I'm a body full of bagbones

Spread it in the fire, driven me in brackstones
You got the time, they all can wait
You wanna start talking, cuz it's not too late
Aquarium, staring em
Everybody loves somebody to hate
Break it, make it, you can make the break

....

And you can hang it up, And you can hang it up
This time baby you can hang it up
You can hang it up, And you can hang it up
This time baby you can hang it up
You can hang it up, And you can hang it up
This time baby you can hang it up
You can hang it up, And you can hang it up
This time baby you can hang it up
