

Crazy Crazy 4 U (feat. Rumer Willis)

Empire Cast

Crazy love, I can't go without you
Got us doin' things we ain't supposed to do
Boy you crept in my heart, tore my whole world apart
And now you're all I need (you're all I need, hey hey, hey hey)
Mountain's high, and no valley low
He can make a woman lose all control
God only knows what this troubled road lies in front of me (In front of me hey hey, hey hey) My darlin', there's
no limit to my lovin'
You got everything I need, and then I'm wanting
I'm not used to giving my heart and soul
Just to be hanging around your love
Oh, oh baby I'm such a fool (crazy, crazy)
My heart is burning for you (crazy, crazy)
The stupid things that I do (crazy, crazy)
I do them all 'cause of you
Boy what the hell did I do?
I'm crazy crazy for you Angel's smile
With those devilish eyes
Boy you took me, took me by surprise
No one understand that I give my right hand
I give up everything (give everything)
Hey hey, hey hey Misery I feel when you're not around
Boy, you turn my head upside down
Now I'm flyin' so high
And I can't justify what's going on with me (what's going on with me)
