

Poison Love

[Alison Krauss](#)

All your poison love has stained the lifeblood in my heart and soul, dear
And I know my life, will never be the same
While my pleadings have all been in vain
For you and you alone, dear
And you know that you are guilty of the shame
Into each life, a love is born
For one and one alone, dear
The love I chose was surely not for me
All your poison love has stained the lifeblood in my heart and soul, dear
And I know our love, was never meant to be
All your poison love has stained the lifeblood in my heart and soul,
dear
And I know my life, will never be the same
While my pleadings have all been in vain
For you and you alone, dear
And you know that you are guilty of the shame
But still my heart cries out for you
And you alone, my darling
And fates will never ever let you go
But my pleadings has all been in vain
For you and you alone dear
And my better judgement, tells me to say no
