

The First Noel

[N-Sync](#)

Noel, Noel, Noel, Noel
Born is the King of IsraelThe first Noel, the angels did say
Was to certain for shepherds in fields where they lay
In fields where they lay keeping their sheep
On a cold winters night that was so deepNoel, Noel, Noel, Noel
Born is the King of IsraelThey looked up and saw a star
Shining in the East beyond them far
And to the herd, it gave grand light
And so it continued both day and nightNoel, Noel, Noel, Noel
Born is the King of IsraelDespite the light of that same star
Three wise men came from the country far
To seek for the King was their intent
And to follow that star wherever it wentNoel, Noel, Noel, Noel
Born is the King of Israel
Born is the King of Israel
