Boot Hill

Australian Crawl

Well he lived on the best side of opportunity street
Adobe villa built along the golden mile
Money's in the garage, there ain't nothin' to eat
Just gonna give it three years it'll be right out of style
Take an overseas trip, life-long membership
Poolside serendippiddy-y
The two-tone shoes, fraud squad blues
Bring the neighbourhood to its knees
If you please - hey
His brother's got the moleskin madness
His sister sweet boutique
A little gift for scrapin' through the H.S.C.
Junior don't believe, gettin' no reprieve
He's sitting in Prahran with something up his sleeve
Take an overseas trip, life-long membership
Poolside serendippiddy-y
The two-tone shoes, fraud squad blues
Bring the neighbourhood to its knees
If you please
We are all living on Boot Hill (Boot Hill)

We're living on Boot Hill (Boot Hill)
Are all living on Boot Hill, yeah
Other folks are sighing - thank God it's Friday night
T.V.'s screaming like a whore, ah-ow
Junior wants to sing, Junior wants to cling
To somethin' he don't know
Must be something more
Take an overseas trip, life-long membership
Poolside serendippiddy-y
The two-tone shoes, fraud squad blues
Bring the neighbourhood to its knees
If you please
We are all living on Boot Hill (Boot Hill)
We're living on Boot Hill (Boot Hill)
Are all living on Boot Hill (Boot Hill)
We're living on Boot Hill (Boot Hill)
Are all living on Boot Hill
